**KEEP OUT OF REACH OF CHILDREN  
DANGER**

See first aid statement and other  
precautions on back panel.

Net Contents 1 Pint (16 fl. oz.)

ITEM NO. 1-2501SPA

This product is used when filling or refilling spas. Product keeps iron and other metals from oxidizing which can cause staining to the spa finish.

#### DIRECTIONS

1. Keep circulation pump running and add 1 pint (16 oz.) of this product around the spa waterline for each 625 gallons of spa water.
2. Circulate the spa water for 30 minutes.

**NOTE:** This product is a skin and eye irritant. May be harmful if swallowed. Gloves and appropriate eye protection are recommended when handling.

#### FIRST AID

**IF IN EYES:** Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. See a doctor immediately.

**IF ON SKIN:** Remove contaminated clothing. Wash affected area with soap and plenty of water. Wash clothing before reuse. If irritation persists, seek medical attention.

**IF SWALLOWED:** DO NOT INDUCE VOMITING. Give 1 or 2 glasses of water to drink. If gastrointestinal symptoms develop, consult medical personnel. Never give anything by mouth to an unconscious person.

**IF INHALED:** Immediately move person to fresh air. If individual experiences nausea, headache, dizziness, has difficulty in breathing or is cyanotic, seek immediate medical treatment.
